EXPERIENCE

Fentons LLC.

Fairfield, CT

Attorney

June 2023 – Present

- Reviewed and negotiated third-party data privacy, data security, and terms of service agreements, distilling complex concepts into actionable insights aligned with stakeholder risk tolerance and operational capabilities.
- Investigated commercial appliance standards and regulations to produce technical documentation covering 42 distinct product offerings, tailoring each to guide end users in proper product implementation.
- Assessed current warranty obligations and regulatory requirements related to product discontinuation, advising client teams on compliant strategies to mitigate contractual risks and fulfill ongoing customer obligations.

Grenier & Lender LLP.

New York, NY

Legal Extern – Business & Tax

Jan. 2023 – June 2023

- Researched tax treatment of cryptocurrency gains to produce strategy memorandum educating lead attorney and client on methods of minimizing taxable gains and maximizing charitable giving within IRS regulations.
- Supported lead attorney in negotiation of business acquisition, drafting provisions for seller financing, working capital, and real estate leaseback terms to mitigate business continuity risks.
- Formed a 501(c)(3) entity for client pursuing philanthropic goals, drafting bylaws aligned with client objectives and guiding board appointments ensuring adherence to IRS regulations and nonprofit governance standards.

TransPerfect Translations

New York, NY

Corporate Counsel Extern / Executive Intern

Aug. 2019 – April 2022

- Educated senior management on operational risks posed by Russia-Ukraine conflict, crafting business guidelines and monitoring developments in region to ensure compliance with evolving international trade regulations.
- Conducted due diligence and assisted General Counsel in preparing documents for proposed acquisitions, collaborating with outside counsel to assess deals and provide decisive guidance to negotiating team.
- Analyzed compliance of 29,000+ transactions with BSA, AML, and OFAC sanction standards, developing improved reporting and record-keeping workflows leading to identification and escalation of 4 anomalies.
- Led legal research initiative across 50 jurisdictions to determine obligations to employees during the COVID-19 pandemic, contributing to development of comprehensive remote work policy.
